

PEAK PERFORMANCE WARRANTY

Our Commitment to a Quality Installation

At Peak Roofing, we believe a roof should be installed right the first time. That's why we stand behind our work with our **Peak Performance Workmanship Warranty**, ensuring your roof performs the way it should.

✓ **10-Year Workmanship Warranty**

Covers installation-related issues resulting from improper workmanship, including flashing installation, shingle placement, and roof penetrations.

✓ **2-Year No-Questions-Asked Repair Promise**

If something doesn't look or feel right within the first 2 years, simply give us a call. We'll inspect the concern and make it right.

✓ **Lifetime Craftsmanship Standard**

Every roof we install follows our Lifetime Craftsmanship Standard, ensuring your roofing system is installed with precision and according to manufacturer specifications.

✓ **Final Quality Inspection**

Every project receives a final inspection to confirm the roof meets Peak Roofing's workmanship standards before the job is considered complete.

✓ **Transferable Warranty**

The Peak Performance Warranty can be transferred one time to a new homeowner, adding value and peace of mind if you ever sell your home.

Manufacturer Warranty

Roofing materials are covered separately under the manufacturer's product warranty. The Peak Performance Warranty applies to workmanship and installation only.
